### 1. License

The use of the article will be governed by the Creative Commons Attribution 4.0 International License (CC BY 4.0) as currently displayed on <https://creativecommons.org/licenses/by/4.0/deed.en>. The author hereby grants the Journal Owner the non-exclusive right to publish the Work under the terms of CC BY 4.0.

Under this license, users are free to:

- Share — copy and redistribute the material in any medium or format for any purpose, even commercially
- Adapt — remix, transform, and build upon the material for any purpose, even commercially

The licensor cannot revoke these freedoms as long as users comply with the license terms.

Under the following terms:

- Attribution — Users must give appropriate credit, provide a link to the license, and indicate if changes were made. They may do so in any reasonable manner, but not in any way that suggests the licensor endorses them or their use.
- No additional restrictions — Users may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
